- Please do not park your car in the space between the two metal gates directly outside the front entrance of Tyndale . This is an area for external speakers and pastors to park. Also, please do not obstruct passageway when you park inside the church compound.**
- Verse of the week: “Do not get drunk on wine, which leads to debauchery. Instead, be filled with the Spirit, speaking to one another with psalms, hymns, and songs from the Spirit.” (Ephesians 5:18-19a)**
- Let us learn to **communicate with another in the love of God**. May we avoid any fruitless activities, instead we **encourage all to live in the purity and righteousness of God**. For “...*No immoral, impure or greedy person—such a person is an idolater—has any inheritance in the kingdom of Christ and of God.*”
- Pray for the **university students** who have graduated and are returning home. **We thank them for the contributions in the church and fellowship. We bless them in whatever work or profession that God has called them into.** May God help them **build a good relationship with their local church**. That they would **continue advance in the faith** after returning home.
- We thank God for raising many different leaders in the church.** May everyone who is called to lead **truly know God** in their own true repentance, **having the heart after God, and serving Him** as the only master. We pray for **continuous renewal of the mind** of all church leaders.
- Some of us may have **summer plan** ready and will do **travelling** when it is summer time. Pray that God **keeps everyone safe and rested**. May we bring glory to God even during holidays and rests.
- We keep praying for the **persecuted Christians** in the world. We pray that God **look after** them and **keep them safe** as they are determined to finish the task by spreading the Gospel.
- There has been a report of **African swine fever in China** and has recently **spread to one farm in Hong Kong**. We pray that God **help those affected** recover from the spread, and the world supply for pork will recover soon.
- In the temptation of riches and wealth from valuable minerals, there are many **warring factions** in some African countries even today. We pray that through the work of God, **greed will be replaced with generosity, selfishness replaced with love, and hate replaced with forgiveness.**
- We pray for the **trade war between US and China**, may God resolve the issue in His time as we know the trade war brings **economic losses** to both opposing parties. May them both **resolve this issue in good will.**
